

The Friends of Bracken Hall

Guided Walks schedule

The Friends of Bracken Hall Countryside Centre have announced their programme of guided walks for **25-07-14** to **26-12-14**. Join Chair of the Friends of Bracken Hall and experienced walk leader, John Dallas, to explore Bradford's countryside, all starting opposite Bracken Hall, Glen Road, Baildon, BD17 5EA.

Please come prepared for the weather! We recommend you bring:

- comfortable waterproof footwear
- suitable clothing to keep you warm and dry
- a supply of water and a snack
- a hot drink if it's chilly
- sun screen and a hat if it's hot

Where a walk is marked with (#), you will require some money for public transport. The nature of the countryside terrain means that most of these walks require a moderate level of fitness and agility and some sections have limited accessibility.
